Agent is licensed in the states of Florida and Virginia. Premiums shown are for Term 10 Plus, a renewable term life insurance policy that guarantees the premium to remain level for 10 years from the Policy Date. The premiums quoted are based on the age of the insured at nearest birthday and specified underwriting classification and are subject to change without notice. Premiums for issued policies may be different than the premiums shown based upon actual underwriting classification. Generally, in the absence of fraud, after an amount of insurance has been in effect for two years during your lifetime, we cannot contest that amount due to a false statement made in the application. In the event of death during the first two policy years by suicide or self destruction while insane, only premiums paid will be returned as death proceeds. Flex Term Series XI policies (Form 07-TB-1 and any state variations) are underwritten and issued by Ohio National Life Assurance Corporation, Cincinnati, Ohio. Guarantees are based on the claims-paying ability of the issuer. Product, product features and rider availability vary by state. Issuer not licensed to conduct business in NY.
