HORIZONTAL DECK DRAIN FOR SCREEN ENCLOSURES

The Dacon Deck Drain is an integral part of the bottom sill of the screen enclosure. As the deck is rinsed, water and debris exit through the drain's one-way door. The door closes. Pests stay out. Clean, easy, efficient.

The Dacon Deck Drain has been a game changer for our screened pool enclosure. Just a quick rinse and the debris washes right out. It sits flush with the aluminum sill, so it looks like it was always meant to be there.
Highly recommend. - B.Brown
